H!

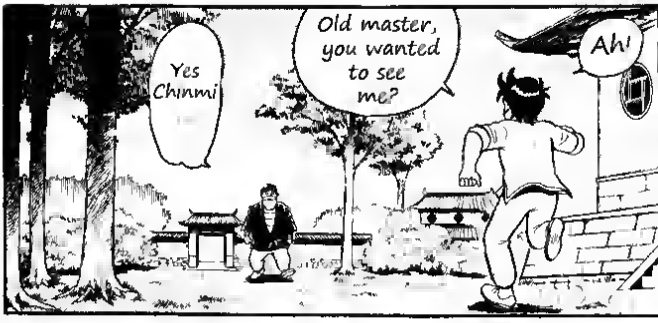
He's been with us for barely more than a year
And already he gives advices to the others.
I believe Chinmi was faster than yesterday. And since the others try to keep up, them too had a better time.

Chinmi, the old master wants to see you.
Good, that's all for today !

All right !

Still ...
Come on Jin-Tan! Let's do it again ?!!
Nah! I've had it...
Who would believe he just ran for 20km ?



Yes Chimmi
Old master, you wanted to see me?
Ah!

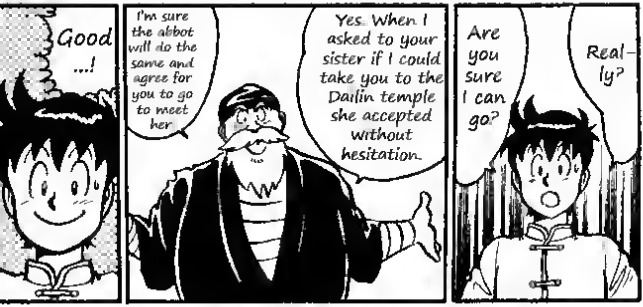
For me?
A letter ...?

A letter arrived for you.

Well ..
Wow !! It's from my sister !!
Meilin
!!

My dear Chinmi,
I hope you are doing well
It's been over a year since you went to train at the Dailin temple
Since you are not home anymore, uncle Rikky and auntie Ling come to lend me a hand sometimes
Me, I'm just fine, as usual
I know that you can't come home because of your training. However I wanted to see you again, so I decided to come over to the Dailin temple. I hope that it doesn't bother you.
I think that I will arrive the 7th of this month
See you soon
Love,
Meilin

You have to be happy.
Ah that's great.
My sister will arrive the 7th !!
It's the day after tomor-row!
But... The 7th
It's not easy for a young lady to travel alone. Why don't you go to meet her and escort her to the temple, Chinmi?
Awsome! My big sister comes to see me!
She has to be almost at the Song-Jya village on the other side of the mountain.



Good ...!
I'm sure the abbot will do the same and agree for you to go to meet her
Yes. When I asked to your sister if I could take you to the Dailin temple she accepted without hesitation.
Are you sure I can go?
Really?

Be careful on the way.
Thank you very much master!

I feel sorry for the others still training though ...

Unbelievable Even after 20km, he's still fresh!!
Then I'm off! See you later !!

It's been more than a year now...
But still ...
Ah, Goku !!
GU!

And i didn't write to her even once. She must have been worried.
You missed her too, didn't you?!

A few more days ...

HU HU HU HU !!!

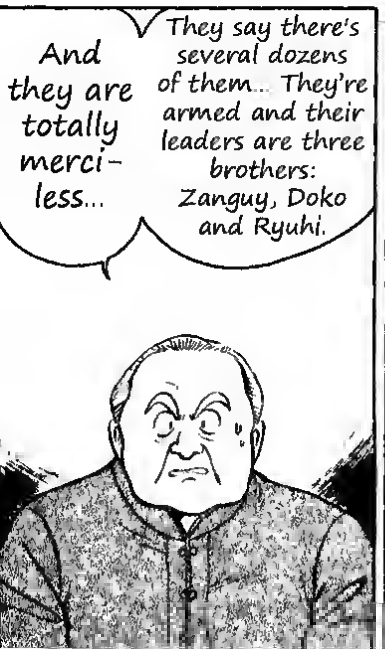
How do you plan to destroy it this time, Zanguy?!

And this village too will disappear ...

Don't be so impa-tient, Doko.
Ah, there you are Ryuhi.
CA TH CLOP
Zanguy, Doko, sorry i'm late!!

Now, we are set ...
HU HU HU HU HU HU HU
HU HU HU HU HU HU HU

Yes, I understand, Chinmi



They say there's several dozens of them... They're armed and their leaders are three brothers: Zanguy, Doko and Ryuhi.
And they are totally merciless...

Mayor, what can we do?
The Black Flame clan showed up...

But who are those Black Flame ?!?

Aim for the heart! Kill him in one shot !!

They're bandits, they pillage and steal in all immunity.

And the three brothers, Zanguy, Doro and Ryuhi are there too.
A few days ago, their clan regrouped on the mount Song-Jya.

They pillaged and destroyed numerous villages on their path

So they didn't come here yet ...
And the doors are well guarded.
Our village is surrounded with an earth wall.
But if they decide to launch an attack, our few guards won't be able to stop them ...
But ...
Money of course .. women and anything ...
But what do they want exactly ?
!!
What they want the most is to torment and kill people!

The Black Flame sent this message ...!!
What is it ??
Mayor !!
!!
A message ?

Mayor ...!!
They ...
They ask for fifty young women from the village !!

The Black Flame kidnapped a young woman on the mountain's pass!!
Listen everyone!!
Seriously? And do we know who she is?
What! How come ?!?
Poor girl, if she's been kidnapped by the Black Flame, who knows what they plan to do to her...!!
Maybe an outsider ...
No idea. I don't think she's from the village.
Ah ... Really ...!

Any-one knows her ?
There was a name on her bundle: Meilin.
No... It can't be...
How awful
Oh no ...!!
Meilin, my sister ...!!

The Band of the Red Hand presents:

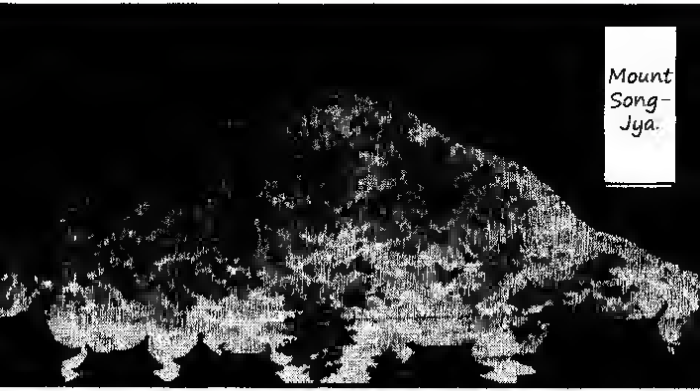
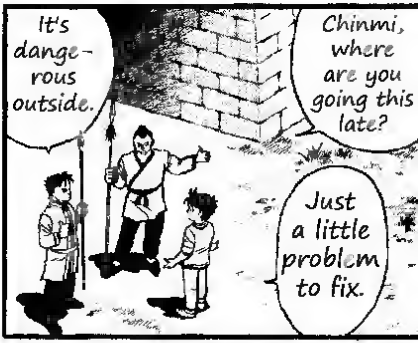
What can we do?!



Mount Song-Jya.

I can't ask the villagers for help. If I want to save my sister, I have to do it myself!!



It's dangerous outside.
Chinmi, where are you going this late?
Just a little problem to fix.

Please hurry and come back soon

I know these guys are ruthless, but.....
Let's make use of the moon-light

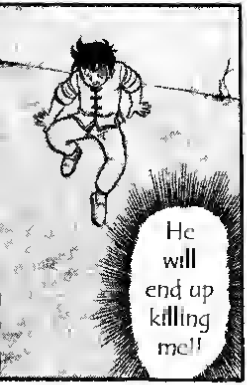
SHIT!



He will end up killing me!!

I can't see Ryuhi, but him, it's as if he could see all my movements...
And his attacks are more and more acurate...

Erase my presence...!!

He can feel my presence... Unless I can hide my presence, I don't see how I can escape...!!

!...
Zen master Tendo !!
Listen to me Chinmi !
When you manage to empty your mind ...
What makes you human disappears. You become part of the Nature.
Yes, I remember, that's when...

To become a rock
Very well !!

Chinmi, be a rock!!

And become a rock !!

Empty your mind .. Take deep and slow breaths...

KSHIN
I must think about nothing and empty my mind It's my last chance...!!
No!! Dismiss those thoughts!!
Soothe your mind
But what if he can feel me ?!

But it's like if his presence is fading out!

Stupid brat !!
